Hundreds of people have signed our petition both paper & on-line. Thanks to all who helped with it. We'll present it to Stockton Council on January 20th.

Liberal Democrat Councillors Consult

Contrary to what our Labour MP has said, our last 3 Focus leaflets asked for your opinions. We repeated the request in articles in *Gossip* magazine and in e-mailed Egglecliffe Ward News.

Many of you sent ideas and comments. We passed them on to Council officers.

Egglecliffe School Special

SOME FACTS

Your councillors have frequently congratulated Egglecliffe school for being an outstanding place of learning and teaching. We are proud to have such a good school in our ward and all of us have children who benefited from being part of the school.

We want Egglecliffe school to have a new building to suit its superb teaching and learning. We are disappointed that Egglecliffe has been excluded by the Labour Government from the present *Building Schools for the Future* programme and we want to work with Stockton Council officers to get the funding for the much needed work. We understand the councillors who represent Ingleby Barwick wanting the best for their area.

We do not want Egglecliffe school to be built on Preston Park, spoiling one of the most attractive places in the Borough.

We do not want misinformation to be distributed to every home in the ward under the guise of consultation by an MP or anyone else.

A few facts:

1. There is currently no money available for Egglecliffe school rebuilding, not £20m nor any other sum.
2. There is no money available to build a bridge from Ingleby Barwick to Preston Park in the foreseeable future.
3. Under the *Building Schools for the Future* programme no successful school can be closed.
4. A school of 600 pupils **can** offer a full curriculum (All Saints at Ingleby Barwick does now).

PUBLIC MEETING
