CLEGG TO DELIVER CHANGE

Britain is set for real change with the Lib Dems in power for the first time in decades.

Labour chose to go into opposition rather than do a deal with the Lib Dems.

The deal the Lib Dems have struck means that vital services we all rely on will be protected.

There will be more money for schools and real action to clean up our broken politics.

Liberal Democrat Leader Nick Clegg said, "With the Lib Dems in power, Britain will get real change - just as we promised in the General Election.

"Things won't be easy, but with the Lib Dems in Government, local people will have a strong voice speaking up for them in Westminster."

Nick Clegg says.

At the election, the people chose to give no party an overall majority. People wanted politicians to put aside their differences and work together to sort out the nation's problems.

But Labour refused to talk seriously about a deal with the Lib Dems - they preferred to let the Tories run things.

The deal the Lib Dems have struck (see details over) will deliver real change for Britain. NHS funding is guaranteed. Schools will get more funding. There will be action to get Britain working.

Britain needs change - the Lib Dems will deliver this.

Jacquie Bell would like to thank all who voted Liberal Democrat on May 6th.

"We had more votes than in 2005 in a wider field of candidates . It is interesting that more voters backed parties other than the winner, a sure sign of the need for a fairer voting system.

Liberal Democrats have long campaigned for Fair Votes. This year the Conservatives have 306 seats from 36% of the vote whereas the Liberal Democrats have 57 seats from 23% of the vote. Any primary school child will tell you that's not fair - your vote should count wherever you live".

In Government over 5 years the Liberal Democrats will deliver

- No tax on the first £10000 you earn
- Action to get the economy moving
- More money for schools
- Action on Climate Change
- The right to sack corrupt MPs
- Restore the pensions earnings link

PRESTON PARK

Liberal Democrats continue to oppose any plans to build a school in the Park and on the allotments. We have campaigned with residents ever since the idea was first published.

Despite widespread public opposition, Labour and Tory councillors on the Council's Cabinet unanimously insisted on looking further into it. We objected then and we still object. We don't think that a single further penny of your hard-earned money should be spent on it.

We call on the Conservative leader of the council to stop before any more of the estimated £40,000 is spent.

Lib Dem Councillors will work with officers in Stockton Council to find an acceptable site for Egglecliffe School so

that when funding is available we can have the quality building we need and deserve. We will continue to support those who want to preserve and enhance Preston Park as a Park.
